Feb-2022

Uganda Martyrs University

ICT intern

- I worked as an intern at Uganda Martyrs University Nkozi where I shared my skills and learnt from my fellow works. Throughout my internship, we were able to service over 300 devices at the university and these included computers, printers, servers, access points, routers and switches.

Mpigi, Uganda

Feb 2022 - Apr 2022

Uganda Martyrs University

ICT Boot Camp

- I volunteered to work with the ICT department during the Boot camp; we reconfigured the Logical network structure of Uganda Martyrs University. Eliminating unused devices that are out of service, this helped in speeding up the network by 50% making it more efficient.
